## Trends For Shaping The Future Of Pulmonary Medicine

**65<sup>TH</sup>** Annual International Congress  
of the Egyptian Society of Chest  
Diseases and Tuberculosis

### *Welcome Message*

The Egyptian Society of Chest Disease and Tuberculosis being the leader in advancing the best patient outcomes through innovative chest medicine, is inviting you to celebrate its 65<sup>th</sup> anniversary meeting in Cairo. This conference is a top forum for learning best practices and emerging trends to keep your knowledge set on the cutting edge of chest medicine.

**"It is A Can't Miss Event"**

The ESCT aims to bring you the latest advances and discoveries in respiratory medicine which will shape our future.

This international conference is also multidisciplinary. Clinicians and researchers from other fields attend the conference and meet with colleagues from around the World, thereby enriching conversations and interactions that lead to insights that ultimately improve

Wishing you peace, joy, health and happiness throughout this year and for many years to come.
